5. Newport City Councillors Report

NCC Cllr A Screen: Fly tipping in the area is down 23% due to a concerted effort with cameras and signage. Road resurfacing in the area is not complete, a second coat, road markings and cats' eyes are needed. CCC Cllrs raised the issue with Blacksmiths Way Island which is still in poor repair. Illuminated signage was discussed as it went through planning as a delegated decision which bypasses standard conditions. The sign will be facing away from residents. CCC Cllrs requested that NCC Cllr A Screen will check on his next site visit to Vantage that the newly installed windows will not give a view into adjoining residents properties, which he agreed to.
